

MESSAGE FROM TOBY LOUIE

Assistant Deputy Minister
Superintendent of Motor Vehicles

Hi RSBC,

It's great to be here at RoadSafetyBC!

Some of you may already know me from my time at Crown Agencies Secretariat (CAS) in the Ministry of Finance, where I worked closely with both RoadSafetyBC and ICBC. Now, as I settle into my first couple of weeks in this role as Assistant Deputy Minister for RoadSafetyBC, I'm focused on getting a broader understanding of the work, the culture, and, most importantly, the people who make this organization what it is. From everything I've seen so far, RoadSafetyBC – or RSBC, as it's fondly known – is a fantastic place to work, and the impact we're making is truly meaningful.

I'm looking forward to meeting the teams, learning more about what drives you, and sharing my own experiences along the way. Keep an eye on future newsletters, where I'll talk about key issues, current topics, and also share a bit more about myself, including some fun facts. (For example, our family has a cat named Snowball Hamish Louie; get ready to see lots of pics and hear lots of stories.)

Thank you for your warm welcome and support as I settle into this new role. I'm looking forward to all we can accomplish together.

I've learned that RSBC has a fantastic newsletter – and this edition is no exception. A special congratulations to all the RSBC Pacific Leaders Scholarship winners—your achievements are truly commendable. I also have to say, I love that we share recipes. While I wouldn't call myself a foodie, I enjoy cooking. I particularly enjoy the project management side of cooking – planning several dishes for a meal, prepping ingredients, timing everything just right – it's a challenge I can't resist!

Enjoy this edition, and happy reading! Thank you again for welcoming me to RSBC. I'm looking forward to seeing many of you at today's Town Hall.
