

Letter of Recommendation for Jillian Mitchell

It is my pleasure to recommend Jillian Mitchell for her outstanding contribution as a member of the TEDxRRU speaker coaching team. Her professionalism, generosity, and expertise made a remarkable difference to both our speakers and the overall quality of our event.

Jillian has participated on the TEDxRRU speaker coaching team for multiple years which has included leading workshops, collaborating with fellow coaches and in one-on-one settings and has been involved throughout every stage of the process from initial auditions through to event day. Her calm, encouraging energy lifted everyone around her. She helped speakers uncover the most authentic expression of their ideas, offering thoughtful guidance that strengthened not only the content of their talks but also their confidence and connection with the audience.

Jillian's specialization in voice coaching was particularly impactful. She helped speakers develop deeper awareness of their voices and provided guided techniques and practical tools to support their growth. Her work helped speakers embody their message with clarity and presence, creating an experience that resonated more deeply with audiences.

I highly recommend Jillian for any role involving voice, communication, or presentation coaching. She brings artistry, precision, and genuine care to her work, helping others express themselves with clarity, confidence, and authenticity.

Sincerely,
Lara Scott
Executive Producer & Curator, TEDxRRU
